

LITTLE FLOWER HIGH SCHOOL

ABIDS, HYDERABAD.

Dt. 03.04.2020

Dear Parents,

Greetings from Little Flower High School !

I hope this message finds you in good health. How is everyone at home? Hearty congratulations to you all for the successful lock down and adherence to the revision schedule sent by the teachers every day.

We have completed nearly 20 days of lock down. I hope you have utilized the time in a useful manner. I sincerely advise you to remain at home and follow the instructions of the Government. We shall also follow the advice of the Honourable Prime Minister Mr. Modi. On 5th April, 2020 at 9.00 p.m., let us switch off the lights and for 9 minutes light candles or diyas on the balcony / at the entrance doors. The cell phone torches also can be used to express our solidarity to our doctors and other help workers and migrants. This is also to showcase our unity in the face of adversity.

During the 2nd phase of the lock down, Little Flower Teachers will reach upto their wards via video conference **(By ZOOM Cloud Meetings)**. You will be allotted a time slot for it. Please make yourself available to connect with the teachers as and when intimated.

The students are expected to be connected to the Recapitulation of previous knowledge and become thorough with the basics. A link will be provided to you. Please make use of the same.

There were a few queries from different quarters regarding the revision and also complaining that they are not getting the messages. I would like to bring to your notice that the faculty has been prompt and regular in giving activity oriented revision work right from the beginning of the lock down. You were expected to click on the same link daily to get the updates upto 31st March as per our plan. Please feel free to send queries at

Mailid: principal@lfhshyd.edu.in / lfhshyd@rediffmail.com

WhatsApp number : 9390113325 and clarify your doubts.

Dear students, you are encouraged to take up singing, dancing, writing poetry, slogans and captions on socially relevant issues, scientific innovations and social services activities connected with COVID -19 (at home under supervision of parents) . You can record it and upload the video showcasing your talent. It will be evaluated by me and appropriate appreciation will await you from my side.

We are safe inside our homes during the lock down. Our hearts bleed for those millions of people who are without food or shelter. Let us pray for them and try to do something for them. Please remain indoors and stay safe.

With warm regards,

Bro. Shajan Antony

Principal
