### **HOLIDAY THOUGHTS**

A good holiday is about value of time and learning rather than things to see.

Plan your summer holidays in such a manner that your ward learns something worthwhile and hones his/her skills. Reading, Hand Writing, Craftwork, Music, Dance, Yoga or a new game can be taken up.

### **SCHOOL UNIFORM**

Kindly procure the uniform of the correct shade and pattern as displayed in the school premises. It is compulsory for boys from Class VII to X to follow the school pattern for their trousers i.e., two pleats on either side just below the waist belt. Only white canvas shoes are permitted and not tennis shoes. Students are allowed to wear only plain black and white shoes.

### **REMINDER**

The students of the High School (from Classes V to X) are expected to reach the school by 07.30a.m. from the day of re-opening (21.03.2017). Kindly make the necessary arrangements to ensure that High School students come early.
